**EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with David Ritchie (Reg. No. 31,562) on 4/10/2007.

The application has been amended as follows:

Claims 60 and 61 shall be amended as indicated on the following page.

60. The apparatus ~~method~~ of claim 58, further comprising: means for transmitting a communication to another MSS over the data communications network to inform it of the non-operational status of a NAS.

61. The apparatus ~~method~~ of claim 58, further comprising: means for receiving a communication from another MSS over the data communication network advising of the non-operational status of a NAS; and means for responding to the communication configured to remove all entries having UIVs associated with the non-operational NAS from the master list and decrement the count of the particular resource used by the number of removed entries that correspond to the group.

***Reasons for Allowance***

The following is an examiner's statement of reasons for allowance: The claims are allowable for the same reasons as indicated in the previous Notice of Allowance, mailed on 12/5/2006. An update search was performed and no references were found to be particularly relevant that were published between the search performed for this Notice of Allowance and the search performed for the previous Notice of Allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***
